PlayLab Café is an allergen and cultural friendly dining zone, with a range of options prepared without common allergy ingredients. There are three ways to eat safely at Playlab Café:

MADE TO ORDER

Our meals are made with a variety of naturally allergen free and culturally appropriate ingredients, however common allergy foods are prepared in the kitchen at times. If your allergy is triggered by food being prepped in the same kitchen, this menu is not suitable. For this reason, our meals made without Gluten but in areas where Gluten may have been handled are classified as LG - Low Gluten.

French Fries
(V, LG, EF, NF, DF, L, H)

Kumara Chips
(V, LG, EF, NF, DF, L, H)

Vegan Crumbed Chicken-Style Nuggets (5)
(V, EF, NF, DF, H)
