

VISITOR TIPS

We can't wait to welcome you back!
Check out our top tips for a great day of safe fun & thrills in park.

1. CHECK FOR RIDE OUTAGES...

...ESPECIALLY IN HIGH WIND OR RAIN.

Weather conditions can impact our ability to operate some rides safely, requiring temporary ride closures.

We reopen rides as soon as our ride safety systems and technicians tell us it's safe to do so.

Details of when rides will be offline for scheduled maintenance is also on our website.

Check out our [Homepage and Latest Updates](#) before visiting that day to find out the latest on ride availability.

2. RESEARCH THE HEIGHT RESTRICTIONS...

...ESPECIALLY IF YOU HAVE LITTLE ONES

Height restrictions are put in place by the ride manufacturer to ensure you can enjoy a ride safely.

A Child Superpass gives them access to Main Park rides, but how many depends on their height, and safety restrictions may also mean the cost of an adult on a Superpass to accompany them. Check out [Height Restrictions by ride](#) to prevent lip wobbles with little ones!

3. ARRIVE FOR OPENING...

...TO ENSURE LOTS OF TIME TO RIDE

You'll find our [opening hours & days](#) on the website.

4. LEAVE FOOD IN THE CAR...

...AS IT CAN'T COME IN THE PARK.

You are welcome to leave the park to enjoy food from home or elsewhere at our picnic tables outside, we just ask that you keep your band intact for re-entry.

If you're storing food in your car, we wary of hot days and package it appropriately.

The change in our food policy to align with other venues became necessary due to increasingly challenges with guest behavior over external food. You can find out more about why we changed on our [website info page](#).

5. FOLLOW RIDE RULES...

...AND RIDE ATTENDANT INSTRUCTIONS

Every ride has rules specific to that ride, but there are some common considerations for all rides.

Learn about park safety including common safety considerations for guests on our [Safety page](#).

6. VISIT PLAYLAB CAFE FOR ALLERGEN & CULTURAL FRIENDLY DINING

...& THE RETAIL HUB AT FRONT GATE FOR PREPACKAGED SNACKS

If these options don't work for you, you are welcome to leave the park to enjoy food from home or other businesses. You will find picnic tables outside the main gate for your use.

Please keep bands intact for re-entry ☺

You can review in park dining options [here](#)

7. LAST BUT NOT LEAST... **HAVE FUN !!!**

NGA MIHI! THANK YOU!
SEE YOU SOON 😊
